Grapevine Essex Dance Group

Grapevine Essex is a small, local charity that provides supported outings and activities for adults with learning disabilities. The Dance Group is an integral part of our organisation.

The Dance Group was originally formed in 1995. Since then the Group has gone from strength to strength.

We have 30 members who perform regularly at venues throughout Essex.

We are privileged to have the guidance and expertise of professional Dance Teacher, Jean Hunter, who passes on her love of dance to our members.
